

Corrigendum

The modifications as per corrigendum 03 is as below:

Sr. No.	Tender Clause, Page Number	Query/ Description as per tender document	Clarification/ Amendment
1.		Please provide high resolution PDF drawings of the plans of the building.	Provided as attachment [http://www.gsdma.org/uploads/SMRITI%20VAN%20MUSEUM%20TENDER%2002012014.zip]
2.		Please also provide sections cut through the various courtyards which indicate patches of landscape within the structure. The treatment to the walls of the landscape courtyard is unclear to us. Are they enclosed in a glass box or open to the sky? Details of this nature are critical to the creation of museum spaces in terms of the micro-environment.	Enclosed with glass and open to sky. All Details are provided in the tender document.
3.		Are the landscape spaces inside the galleries and on the roof top part of the museum building exercise or would they be handled differently by the landscape designer?	The roofs are along with the landscape will be in the scope of work of the civil contractor but they can be used for open exhibition spaces.
4.		The central spine is only covered using a semi-open network of tensile structures. Please confirm if the central spine can be used for directional and way finding signage along with introductory museum graphics.	Yes, the central spine can be used.
5.		Please send in a BLOCK level plan as described in the document. The current plan does not have the BLOCK A to F marked. The numericals are for the galleries only.	Associated document attached [http://www.gsdma.org/uploads/SVB%20MUSEUM.pdf]
